PROOF ON MAIN

Named one of *Esquire* magazine's "Best New Restaurants," Proof on Main offers an award-winning combination of inventive food and beverage paired with warm, professional service and exciting art-driven design. Locals flock to Proof for Chef Michael Paley's flavor-focused cooking that is inspired by the culinary traditions of Italy and the American South. Proof is committed to supporting the region's sustainable farmers and producers. This commitment carries over to the bar where over 50 of Kentucky's finest bourbons are stocked and seasonal, ingredient-driven cocktails are featured.
